Talk: Asteroid Impacts, Tsunamis, and Mud Volcanos: Simulating Violent Processes in Geophysics

We have the pleasure to announce a guest lecture by Galen Gisler on this Friday, February 29th. Dr. Gisler is a well-known researcher in studying fluids and violent physical processes in nature. He is currently working at the center of excellence "Physics of Geological Processes". For more info about Dr. Gisler's work, please visit the following web page: <http://folk.uio.no/galeng/research.html>

Total number of participants: 10
 Number of different nationalities represented: 2
 Total number of speakers: 1
 Total number of talks: 1

Time of the guest lecture: 13:15-14:00, Friday, February 29th
 Place: Bakrommet
